It is a summary of your registration to the Chorales that will be required upon your arrival at the festival.

Getting the workshops scores

The Choralies respects copywriting laws. Copies of an edited and protected music score are strictly forbidden. Workshop scores can be bought, sometimes in booklets made specially for this edition, after we negotiated with the rights owners.

We recommend that you write your full name on all the scores you own and to bring a folder or a binder to keep them together.

Before the festival: the workshop scores can be bought on the Éditions' website: www.editionsacoeurjoie.fr. The scores can be sent up until June 30th. You will be able to collect the orders made from the beginning of July at the reception on August 3rd or at the Éditions' booth during the festival, in the Choralies Village.

On August 3rd at the Espace Culturel exclusively upon presentation of your badge, after your registration with the Registration office.

You will only be able to acquire the scores for your workshops and, for the "1 jour 1 thème" (1 theme a day), the scores for all 8 days.

From August 4th, at the Choralies Village, 19 Quai Pasteur (see map on page 22)

(We will sell to everyone; scores are subject to availability).

You will find a wide choice of scores and collections for all choral formations, books, CDs as well as Choralies souvenirs.

For chorists that signed up for the "1 jour, 1 thème" workshops, our team will sell scores at the entrances of the workshops, half an hour before each rehearsal. These scores will also be available at the Choralies Village the day after (We will sell to everyone; scores are subject to availability).

Phone: +33 (0)4.72.19.83.30 – email: editions@choralies.org

Information specific to the volunteers

You asked to volunteer in a team. The team supervisor should have contacted you and informed you of the tasks that you will need to perform. Your commitment and the respect of the working rules that come with it guarantee an adequate organisation of the Choralies: thank you for your commitment!

You are asked, unless you are told otherwise by your team supervisor, to be on-site for dinner at place Burrus on August 2nd at 6.30pm at the latest.

Do not go to the Espace Culturel: your team supervisor is going to collect all of your registration documents for you (badge, Choralist file...).

If you signed up for the Camping option, you will be hosted at the Camping des Choralies, set up for this occasion on the terrain Baye.

Your team supervisor will give you other details specific to your role later on.

Information specific to the children participating in the L22 – L23 and Atelier Loisirs Enfants

The Junior afternoon (not accessible to established groups)

In addition to the workshops, you will be able to leave your children with our Junior team for Junior Afternoon, a kind of fun day-care centre, on specific days.

Registration will happen on-site and day-to-day upon presentation of a specific ticket (see below) to the staff, depending on availability.

Following the same rules as the adults, Junior Choralists will be attributed "Junior Afternoon" tickets that will allow them to participate in the "Junior Afternoon" activities, or to exchange them for a Daytime concert ticket at the ticket office.

These activities are not compulsory, but some organisation is needed for the team that supervises your children.

Upon reception of the badge; you will be given a provisional table of the planned presence or absence of your child to each afternoon activity. Potential changes need to be made the day before the activity at the latest, and changes made the morning of will not be accepted.

You will be able to fill out this table depending on the concerts you are planning on going to with or without your children, on your resting or your sight-seeing times...

What to plan for these activities (morning and afternoon)

- We ask that you write your child's name on every one of their belongings:
- A small backpack with a cap, sunscreen, sunglasses, if needed.
- Depending on the weather, a sweater, and rain clothes, and for the youngest, a complete second outfit in case something happens.
- Sneakers,
- A water bottle (with your child's name written on it),
- No medicine in your backpack (not even arnica or aspirin!)
- No cell phones during the musical workshops or the animations: ask your children to turn them off during these times.

Espace Juniors supervisor

You can reach Lucie GRISONNET at +336 08 53 64 65 if needed, or to inform her of any particular need your child might have (asthma, allergies, cognitive disorders...).

Concert tickets

Accessing the concerts as a Choralist

Evenings at the Théâtre Antique

Your badge gives you access to the evenings at the Théâtre Antique depending on the dates that appear on it (there are as many Théâtre evenings as workshop days). Children in possession of a badge or a ticket have to be accompanied by an adult in possession of a badge or a ticket.

Nota bene: a day at the Choralies starts with the Théâtre Antique evening that happened the day before. If your formula includes August 7th (which is an off evening for the Théâtre), you will be allowed to go to the next day's concert.

Afternoon concerts

Find out more about these concerts on the Choralies website: www.choralies.fr

Each person individually registered for the Choralies can attend a number of afternoon concerts for free. Free tickets go as follows:

- 8 days = 6 tickets
- 7 days = 4 tickets
- 5 or 6 days = 3 tickets
- 3 or 4 days = 2 tickets
- 1 or 2 days = 1 ticket
- Volunteers = 4 tickets (Accueil du Public and Régie de Scène volunteers are not concerned by this)

Tickets will be given to you in envelopes prepared by our team. Each will include a series of tickets depending on the number of days your stay will last. Each series include tickets with different dates, locations and musical styles selected out of all the programmed concerts. **A list of the series and their detailed composition will be sent to you soon.**

The list should allow you to choose the series you like best ahead of time and to save time when you will collect them. Be careful to select series that correspond to the number of tickets you are entitled to.

You will collect your ticket envelope upon presentation of your badge, **after your registration is approved**. We advise you to choose 2 or 3 different series in case your first choice is no longer available when you arrive. You will not be able to book series in advance.

Only Choralists who signed up individually and paid the normal Choralies rate are allowed to choose concerts from the series system. Choralists that are part of a group and that paid group rates will also get tickets for the afternoon concerts, at the festival's staff preference. The tickets will be given to the group's supervisor.

You will not be able to attend one of the concerts in your series? You want to attend a concert your series does not include? No worries! We organise a ticket market between Choralists that will hopefully allow you to get the ticket you want. This market will be open from August 5th at the Village ticket office.

Camper vans and caravans

There will be a provided space for camper vans near the collective tents campsite. You will have access to a chemical dump station.

Some reminders

You can check the campsite's rules and regulations online: <https://choralies.fr/documents/>

- Wearing your badge is compulsory to access the area.
- For everyone's safety and wellbeing, cooking and using gas lamps in tents and on the campsite are forbidden.
- Smoking and bringing alcohol onto the campsite are forbidden.
- Pets are not allowed.
- The tranquillity of the campsite is insured by a collective effort to be quiet. Please respect other people's sleep.
- Do not forget to bring your own covers (even in collective tents) because the temperature drops at night, even more so if the mistral (northern winds) blows.
- Bring flashlights, because the campsite does not have lights.
- Collective tents are mixed, except for children.
- You can charge up your phone in the "lieu de vie" tents. Socket plugs will be installed there.
- Once you are registered and settled in at the Choralists campsite, your meals will be served at the Choralies restaurant on place Burrus, depending on what options you subscribed to.

"Passagers Chanteurs" residing in Saint-Paul-Trois-Châteaux :

Bring sheets, towels and a sleeping bag or a cover. Disposable pillows will be provided.

The following workshops will perform their workshop concerts on the day and evening of August 10th: L03, L04, L06, L09, L12, L15, L17, L18, L22, et L23

We have a great activity in store for you on August 11th in the morning. We want to make a quality video of Open singing. We will meet on the stairs of the Théâtre Antique from 10 to 12am to video record your performance of the best works of Open Singing with Denis Thuillier and the musicians team. There should be hundreds of you rallying for this. We are counting on your presence!

Place Montfort : sing on the Podium !

The Vaison-la-Romaine team will install a podium to welcome groups who want to entertain the public from 6pm to 7pm on Place Montfort.

This podium is informal and open to all: choirs, groups, soloists, instrumentalists and other types of entertainers.

All you have to do is go up on stage! A sign-up board will be available at the Choralies restaurant.

Are you tempted? Let us know right away that you are interested by emailing musique@choralies.org with "concert place Montfort" as the subject line.

Access, security and rules

Accessing the festival's premises

The different Choralies sites are reserved to people who are registered and wearing a badge that gives them access to what is planned with their registration or to people who have tickets to the shows. Only the chorists singing in a concert and who are not benefitting from any Choralies services are exempted from showing a badge at the entrance of the location in which they are performing.

We are required to impose the instructions of the anti-terrorist plan VIGIPIRATE given by the Ministère de l'Intérieur.

For your comfort and your safety, please make the workshop, concert and restaurant inspections easier (open your bags for checking, no knife or cutting objects in the restaurant or at the entrance of concerts.)

Sale

Illegal sale of any type of product is forbidden during the Choralies, on the premises of the event and their surroundings.

Merch will be sold at the Choralies Village. This area is the only one where commerce is allowed under French selling regulations on the festival's premises.

To avoid long waiting lines at the "dépôt" service, where you will be able to leave your merch, it is mandatory that you send it to the Éditions before July 15th, 2022.

For any information and to book an appointment, contact the Éditions À Cœur Joie.

As an exception, choirs performing in the Choralies will be allowed to sell their CD and merch after their concert (only in this specific place and at this specific time.)

Copies

On the Choralies premises as anywhere else, copying an edited and protected music score is strictly forbidden. À Cœur Joie respects the law and will strictly apply it. No copy will be tolerated in the workshops and the Choralies concerts, or in the entertainment places or the forum.

The state emergency on health is set to end on July 31st, 2022. New rules might be put in place before then. We will apply the legal recommendations. We do not know what rules will apply to contact cases.

However, the past few months have shown that the evolution of the health crisis cannot be predicted. New variants appearing is unfortunately a possible scenario. Our event spreads across nine days and the high rates of transmissibility of the last variants compel us to be **responsible and proactive**.

We thank you in advance for your trust, your implication and your understanding concerning what we put in place to face the crisis.

What we did REVENIR ICI

Singers will gather 3 hours a day during workshops and we want to limit risks.

We plan on respecting the following health recommendations:

- A distance of one meter between all singers
- Ventilating the premises as much as possible

The workshop locations were selected for their dimensions and their ventilation capacities, and we set workshops' singers limits accordingly. We may use CO² measuring devices to satisfyingly air the rooms between each session.

These measures do not guarantee health safety, but they are an element of our collective strategy.

What you can do

The Choralies spread across a long time. We need to collectively reduce the risks of mass contamination.

We ask you to please respect the following recommendations:

- **Preventive testing**: if all the participants test themselves the day before they leave for the Choralies, we could reduce the collective risk by identifying possible asymptomatic carriers.
- Please respect **protective measures** (wash and disinfect your hands, limit physical contact, etc.) during work times **and** fun times.
- You might meet friends you have not seen in a long time. **Please avoid hugs and kisses**.
- Those who want to can **sing with their mask on**.
- Remain courteous, respectful and reasonable in case you disagree with someone else's opinion on this health crisis that is affecting us all.

In case you are showing symptoms

Out of solidarity with the other singers in your workshop, if you have a fever, a cough or a sore throat, wear a mask and abstain from participating in activities as you wait for a test or self-test result.

If your test comes back positive, and although we do not know yet what the confinement measures will be then, we invite you to:

- Withdraw from the workshop to avoid infecting the other participants;
- Inform people you have spent time with.

Cancelations for health reasons are not a valid reason for reimbursement. We invite you to check with your insurance if they can compensate you.
